Education

University of Illinois at Urbana-Champaign *Champaign, IL*
B.S. IN COMPUTER SCIENCE AND LINGUISTICS *Aug. 2016 - May 2020*

- 3.74/4.00 GPA
- Business Minor
- Relevant Coursework: Discrete/Data Structures, Computer Architecture, Systems Programming, Virtual Reality, Computational Linguistics.

Experience

iOS Software Engineering Intern *Boston, MA*
WAYFAIR *Summer Internship 2018*

- Worked on a team developing an iMessage extension to enable native sharing of product configurations.
- Created a smooth, intuitive user experience for product sharing on all iOS devices.

Course Infrastructure Developer - Plagiarism Detection *Champaign, IL*
UNIVERSITY OF ILLINOIS - COLLEGE OF ENGINEERING *Jan. 2018 - Present*

- Developing plagiarism detection software that relies on behavioral indicators and code structure metrics.
- Became proficient with the ANTLR and NLTK Python libraries. Used them effectively to analyze natural language and parse source code.
- Researching plagiarism detection system architecture for use by the UIUC CS department.

Lab Instructor - Intro to Computer Science *Champaign, IL*
UNIVERSITY OF ILLINOIS - COLLEGE OF ENGINEERING *Aug. 2017 - Dec. 2017*

- Taught fundamentals of Java programming, algorithm analysis, and data structures in weekly two-hour lab sections.
- Worked one-on-one with students during office hours; moderated course forum.
- Helped many students develop a passion for computer science and succeed in the course.

Extracurriculars and Projects

Stronghold - macOS Security Configuration Tool *Champaign, IL*
OPEN SOURCE SOFTWARE *March 2018*

- Developed and open-sourced a command line interface that walked a user through securely configuring macOS.
- Gained significant knowledge about macOS security architecture.
- Secured the workstations of over 4000 mac users.

Foreign Exchange Programs *San Sebastian, Spain*
FOREIGN EXCHANGE STUDENT AND HOST *Summers 2013-2017*

- Lived with a family in San Sebastian, Spain for three summers and learned conversational Spanish at a renowned language academy.
- Hosted multiple exchange students from Spain during high school and taught them about American culture.
- Traveled throughout Israel on Birthright and private trips.

Link Crew Leader and Assistant Instructor *Highland Park, IL*
LINK CREW LEADERSHIP PROGRAM *2015-2016*

- Completed a year-long leadership training program, earning my Red Cross lifeguard certification.
- Led high school orientation programs for incoming freshmen and helped them adjust to their new social environment.

Honors & Awards

2018	**Best Healthcare-related OSS Hack (TypeSense),** HackIllinois	*Champaign, IL*
2017, 2018	**Dean's List,** University of Illinois	*Champaign, IL*
2016	**AP Scholar with Distinction,** Highland Park High School	*Highland Park, IL*

Skills

Development Skills	Data structures, code optimization, algorithms, UI/UX design, software testing, debugging.
Languages	Python, Swift, C, C++, Java (incl. Android), HTML, CSS, Node.js.
Software	Git, JetBrains IDEs, XCode, Sketch.
